

California Higher Education Recovery with Equity Taskforce—Meeting Agenda
Thursday, September 10, 2020 | 10:00am–1:00pm PT/1:00-4:00pm ET

MEETING OBJECTIVES

- *Listen and learn from Tim Renick and his experiences advancing equity within the Georgia State University system*
- *Review preliminary statewide and regional data analysis for California’s postsecondary education outcomes and stakeholders, and identify underlying root causes impacting equity for students*
- *Develop a set of initial topic areas to inform the work and organization of Taskforce working groups*

Agenda (all times PT)

- | | |
|----------------------|---|
| 10:00–10:10am | Welcome and agenda review |
| 10:10—10:30am | Taskforce member spotlight
<i>Taskforce members will engage and learn from the expertise and experience of fellow member Tim Renick and his work with the Georgia State University system</i> |
| 10:30—11:20am | Full Group Discussion: Preliminary data analysis
<i>Taskforce members will examine equity challenges in California based on data analysis and preliminary regional stakeholder findings</i> <ul style="list-style-type: none">▪ Pre-work reflection questions:<ul style="list-style-type: none">○ How well is the California postsecondary system currently serving Black, Latinx and adult students, as well as other marginalized groups, both statewide and regionally?○ What are the equity implications of the data, particularly when you apply the Taskforce’s Equity Framework? What demands Taskforce attention?○ What statewide and/or regional policies are you aware of that may be related to what you see in the data? May contribute to the numbers being the way they are? What else might we need to know?○ What are important differences and/or similarities that you see between the five regions? |
| 11:20–11:30am | Break |

11:30am–12:40pm

Breakout Group Discussion: Root cause analysis and potential opportunities

Taskforce members will engage in a root cause analysis process to generate an initial set of topic areas for working groups to take and further explore

12:40–1:00pm

Launching working groups and next steps

- Review how working groups will be organized and managed
- Preview upcoming activities and agenda for October 13th meeting
- Feedback survey
